

A photograph of a Plains Prickly Pear Cactus in a field of tall grass. The cactus has several large, yellow, pear-shaped fruits. The text is overlaid on the image.

HABITAT WANTED:

Plains Prickly Pear Cactus

Needs:

Dry soil

Lots of sun

Help me find a habitat! Don't let me
grow where people or wildlife might
step on me!

HABITAT WANTED:

Western Meadowlark

Needs:

open prairie

A perch to sing from

Help me find a habitat! I want my song
to travel far!

A photograph of a bighorn sheep standing on a steep, rocky mountain slope. The ground is covered with patches of snow and exposed reddish-brown rock. The sheep is facing away from the camera, looking towards the upper left.

HABITAT WANTED:

Bighorn Sheep

Needs:

Steep slopes to escape

Plants to eat

Grassy areas to bed down where people
and predators won't see me

Help me find a habitat!

HABITAT WANTED:

Coyote

Needs:

Good hunting ground
Some cover to hide

Help me find a habitat!

HABITAT WANTED:

Cottontail Rabbit

Needs:

Grassy area to forage
To dig a rabbit hole for protection

Help me find a habitat!

A photograph of a prairie dog standing on its hind legs in a grassy field. The prairie dog is facing right, with its front paws raised near its face. The background is a soft, out-of-focus green field under a bright sky.

**HABITAT
WANTED:**

Prairie Dog

Needs:

Flat open prairie
To see in all directions

Help me find a habitat!

A black-footed ferret is visible in the background, partially obscured by the text. It is a small, slender animal with a white body and black markings on its face and legs. It is standing in a field of dry, yellowish-brown grass.

HABITAT WANTED:

Black-footed Ferret

Needs:

Prairie dog town

I only live in prairie dog towns. I live in the burrows and eat prairie dogs. Please help me find a habitat!

A photograph of a cottonwood tree in a field, with text overlaid. The tree is in the center, with its branches spreading out. The ground is covered in dry grass. The sky is a pale blue. The text is in black, bold, sans-serif font.

HABITAT WANTED:

Cottonwood Tree

Needs:

An area with enough moisture

Help me find a habitat! A drainage or a low spot where I could get extra water would be great!

A photograph of a rattlesnake in a grassy field. The snake is coiled on the ground, with its head raised and facing towards the right. The background is filled with tall, green grass and some dry, yellowish vegetation. The lighting is bright, suggesting a sunny day.

HABITAT WANTED:

Rattlesnake

Needs:

To find sun and shade

To hunt mice and small mammals

Help me find a habitat!

**HABITAT
WANTED:**

Porcupine

Needs:

Trees to munch on

Help me find a habitat!

**HABITAT
WANTED:**

Swift Fox

Needs:

Short grass prairie
A good den site

Help me find a habitat!
